

## **BRANTFORD JUNIOR STAMP CLUB GOALS**

1. Teach stamp collecting skills, e.g. soaking, using tongs, hinges, mounts, storing stamps, posting Stamps, and displaying stamps.
2. Help children to make decisions about what to collect and where to store and display stamps.
3. Provide information about stamp collecting, e.g., types of stamps, perforations, perforated vs. Die cut stamps, sets, definitives vs. commemoratives, country names, locations, types of topicals.
4. Help children post stamps on squared pages or in stock pages.
5. Encourage parents to support their children's participation in stamp collecting (note - encourage parents to attend meetings.)
6. Motivate children to develop skills and expand collections by offering prizes for points they can earn by attending meetings, completing activities and participating in Show and Tell.
7. Help children expand their collection by providing free stamps.
