

1982 Canadian Philatelic Youth Issue

A series of five stamps was issued by Canada Post to commemorate the International Philatelic Youth Exhibition held in Toronto May 20, 1982. It was the first Youth Exhibition held outside Europe. Above is the second souvenir sheet Canada Post printed and it was issued on the first day of the exhibition. The design was the brainchild of Stuart Ash who chose to bleed the colour to the edges for the first time in Canada's postal history.
