New issues online, presented here as a pdf. Once opened in your browser, you can save it to your own computer, and search it as you would any pdf. This first page is interactive: click on an issue and it will take you there. You can then return easily to this page by clicking the return button at the upper right corner of each page.

We have provided Canada Post order numbers for those wishing to purchase online. This will enable shoppers to go to Canada Post and shop by item number. To shop online, Go to: <http://www.canadapost.ca/shop/shop.jsf?execution=e1s1>

Issues since last issue to date: These are derived from a search of the CPC web site, and a careful reading of Details, for mentions of new issues. This usually results in a few items not easily found without knowing what you are looking for on the CPC web site. If we have missed anything, please let us know. Sets of cards can sometimes be purchased singly; we have provided the product number for the set, and when possible we have also shown the individual numbers for each card.

Another issue, previously overlooked, was called to our attention by Robert Lemire. It is a number 10 envelope. For more information, we refer you to the associated issue of PS Notes, Vol 26, No. 5. The product number is 101671; it is a “Permanent” issue, always good at the current domestic rate. The current price for this envelope is \$1.19, and it was made available in November 2014. The envelope has side seams, the usual maple-leaf security printing, and is distributed to post offices in bundles of 25. The form date on the first copies is 09.15.14.

Permanent, always worth the going rate

Dimensions: 105 mm x 241 mm (4.13 in. x 9.5 in.)

The stamp die is the flag design formerly used in 1995.
