

CANADIAN REVENUE NEWSLETTER

MAY 8, 1971

I hope that we all remember the BNA Convention at Halifax August 26 to 29. I'd like to see as many as possible at the annual revenue group meeting. If you can't make the convention, drop me a line and I'll read all of your greetings to those of us who are there. We would like to hear from you. We should have a good showing of revenues in the exhibition. Why not think of showing, drop me a line and I will see if we can't get together a real diversified showing.

Les Devenport (#100) confirms the rumors that Federal Unemployment stamps are no longer being used.

I have received quite a few letters showing interest in the renewing of the Newsletter. Also, I have received quite a few donations to help in the cost of this project.

Enclosed is the first part of the membership list, the final part will come along next month. I hope in the near future to have more listing of revenue items in our coming newsletters.

With the completion of the membership list next month, you will note that we now again have 130 members. I keep trying, but as soon as we go over this mark someone decides to resign from BNAPS, or more unfortunately we have a death.
