

CANADIAN REVENUE

~ NEWSLETTER ~

DECEMBER - 1973 #32 - HOLIDAY GREET!

Suppose that I start off with an announcement that this month's Newsletter has enclosed pages 6 and 9 of the Brandon Newfoundland Tax Paid Catalog. It seems that I sent pages 7 and 8 last month.

There will be one more sending of the Lee Brandon Tax Paid Catalog. Lee set himself a monumental task when he started this catalog. He is now busy putting prices on all these items. It appears that Glenn Hansen plans to include this in his number three handbook.

I am sad to report the death in September of Charlie Armstrong, of Toronto. Charlie Armstrong was one of the old time collectors and promoters of Canadian Revenues. He was a long time member of BNAPS and the revenue group. Many of us will remember Charlie as an enthusiastic collector of the War time tax paid and all kind of tax tickets and tokens. He was a grand guy.

You will note that Dick Lamb is one of our new members this month. Many of us know Dick. He is a friend of many years, incidentally he is a young guy.

As you see below, we added 5 new members this month, I believe this is a record. Of course, most of this is due to their receiving the new Tax Paid Catalog with their membership.

I only have 10 copies of this catalog left. So we can only take care of 10 more new members with Lee's Catalog.

Phil Little (member #20) celebrated his 90th birthday by turning over to Jim Sissons (member #101) his entire holding of Canadian Revenues for sale in Sisson's February 20-21 auction. All CRSG members should try to get a copy of this catalog, and as many as possible should try to attend the sale in person. It will be the finest lot of Canadian Revenues to come on the market, since the Dr. Frank Morgan collection.

The Phil Little collection contains many rarities, and shows strength in all sections. We know that at one time he had the finest showing of IN FRIZE Supreme Court Stamps in existence. We hope these are included.
