I had a very enjoyable trip to the Toronto CAPEX, There were four Canadian Revenue Exhibits, three were from our members, Harry Lussey, Joe Shelton and Bill Rockett. The Canadian Revenues made a good showing Our members received a Large Vermil, a Vermil and a Large Silver. Congratulations to Canadian Revenues in an International Show.

The BNAPS Lounge was kept quite busy with BNAPers coming and going. This was a preview of P. E. I. The Friday night BNA reception was well attended. During the course of the show I was happy to meet many of our Revenue Group members. A real pleasure.

van DAM had a booth and I think his booth attracted as many if not more than most of the other dealer booths.

I signed up a former member and two very lovely new members.

I hope to see many of you at P.E.I. Sept. 17/19. There will be a 60 frame exhibit by invitation. The Revenue Group will be represented with four exhibits. We will have the Revenue Group meeting on Saturday.

In June we had the Revenue Group Mini-convention here at Willow Grove. We had the usual number in attendance about 20. Fortunately for me and those present my sister in law took care of the food department. So starting with coffee and doughnuts at 9 A.M. and lunch and dinner, everyone must have had enough to eat, for I had leftovers for the next two weeks. Leo LaFrance did the honors for Sunday breakfast, five of us. It was decided to have our 1988 get together here at Willow Grove the first Saturday in June (as usual).
