

THE ROUND-UP ANNEX
squared circle study group newsletter

vol. 6
no. 1/31
march, 1983

My apologies for the lateness of this ANNEX issue but I have been postponing the mailing in hopes of receiving additional reports or items for this issue. As you can readily see, this issue is a bit short on features and unless things turn around soon, this may be the trend for future issues.

NEW REPORTS AND FINDINGS

The items below represent the findings submitted since November as well as those gleaned from various auction catalogs. If you have been "sitting" on some early or late dates, etc., please send them along so that they can be shared with other group members.

NORTHPORT, NOVA SCOTIA - Pierre Dussault reports a new year for this hammer, with a strike dated -/JY 12/02.

KENTVILLE, NOVA SCOTIA - In John Talman's February, 1983 auction, a new early date is reported, -/OC 6/93.

GORE BAY, ONTARIO - Emerson Clark reports a second example of the borrowed month indicia on a strike dated -/JUL 20/06. (Refer to ANNEX, VOL 5, No. 2 and the photocopy below).

NEW REPORTS AND FINDINGS (CONTINUED)

HAMILTON, ONTARIO - Also from John Talman's February auction, a new early date for the Admiral period is reported, 19/FE 26/13.

MELBOURNE, QUEBEC - Pierre Dussault reports two new years of use of this hammer, with strikes dated -/MR 9/03 and -/MR 28/10.

EDMONTON, ALTA - Jerry Carr reports a new late date for this hammer, -/AP 22/99; this is two days later than the Handbook.

DELORAINÉ, MANITOBA - In Bob Lee's Auction No. 26, an amazing new late date for this hammer is reported, -/DE 27/10. This is almost three years later than that listed in the Handbook!

A FINANCIAL STATUS REPORT

Enclosed is a copy of the "1982 Financial Statement"; note that a balance of \$47.63 was carried over into 1983. With prospects of somewhat smaller and perhaps fewer ANNEX issues, the 1983 dues are set at \$4.00 (US) and \$5 (CANADIAN). For those members who have paid the 1983 dues based upon last year's amount, refunds will be made shortly.
