

***REPORT, FIRST VICE PRESIDENT***

Besides serving as a sounding board for President Lemire, at his request I have updated §240.00 of the BNAPS Policies & Procedures Manual. I also analyzed the section and made ten change recommendations. These documents are currently posted on the BNAPS PB Works website. President Lemire has told me he will provide the copies for the Board meeting, He also recommended the section be on the Board agenda and asked me to iterate that request.
